Peartree Park and Ride Machines

The ticket machines at Peartree Park and Ride have not been working recently. This issue has been reported, and we are awaiting further updates from the operator.

Bus Travel – 2/2A Service

The 2/2A bus service will soon increase its frequency from every 25 minutes to every 15 minutes. The service will also be extended to run later into the evening. In addition, further improvements to local bus provision are planned, including a new circular route serving several of the surrounding villages.

Street Lighting

A new Highways project is being introduced that will allow Parish Councils to apply for certain street lights within specified areas of the village to be switched off at set times. More details on how and where this may be implemented will be provided once the scheme is formally launched.
