

## Shipton-On-Cherwell & Thrupp Parish Council - Risk Assessment 2026/27

Risk Assessment is a systematic general examination of working conditions, workplace activities and environmental factors that will enable the Parish Council to identify and and all potential inherent risks. The Parish Council, based on a recorded assessment, will take all practical and necessary steps to reduce or eliminate the risks, insofar as is practically possible. This document has been produced to enable Shipton-On-Cherwell & Thrupp Parish Council to assess the risks that it faces and satisfy itself that it has taken adequate steps to minimise them. The Parish Council will review all risks annually and annotate actions.
